SUPPLYING SKILLED VINEYARD LABOUR IN THE SOUTH WEST

We specialise in all facets of the wine-growing process, with the ability to assist our clients in every task from preparing the property for planting right up to the point the picked fruit is handed over to the winemaker.

We are equipped to make sure we can cover all possible contingencies. Down to the last vine, we are meticulous, professional, efficient and highly motivated.

“Cape Mentelle’s long-standing relationship with Labour Solutions has assisted us immeasurably in meeting our demanding goals of high quality and efficiency. They are meticulous, impressively organised, reliable and always prepared to do what is required to successfully complete the task within time and budget. They afford us a level of productivity and quality that cannot be matched by any other labour hire company.”
